The on-site training was worth every penny. In fact, we recouped our investment in the first month. We had averaged 55 new patients per month. After the training we had over 75 new patients the first month and close to 100 the second. I am a results-driven person and I like the results!

DR. GREG J.

WHAT WE DO

At The Practice Growth Institute, we transform private practices into thriving, purpose-driven, and profitable high-growth businesses. We offer a road map and tools to build high-performing teams with a patient-centric culture. Learn more at www.MyPGL.com.
